The Management Board of MedApp S.A. with registered office in Kraków _"the Issuer"_ informs that on January 12, 2022, the Issuer concluded an insurance agreement with Chubb European Group SE Spółka Europejska Oddział w Polsce.

The Issuer is the policyholder and the insured. The insured area of business is healthcare information technology.

The subject and scope of insurance include: employer's liability for the consequences of accidents at work, general civil liability, liability for products and services, liability for damage other than personal injuries, property damage, defects in products and services, and defects in workmanship, liability for damage caused by the Insured's subcontractors, tenant's liability.

Territorial scope: worldwide excluding Iran, Iraq, Cuba, Syria, Democratic People's Republic of Korea, Sudan, Crimea and Venezuela. The scope of insurance covers the United States and Canada.

Period of Insurance: 15.01.2022-14.01.2023.

The warranty sum amounts to: GBP 1,000,000 for an event and all events together in the period of insurance and GBP 5,000,000 for employer's liability for the consequences of accidents at work for an event and all events together during the period of insurance. The total limit on the policy is GBP 5,000,000 for an event and events in the annual aggregate.

The agreement provides for a franchise deductible of EUR 25,000 in each loss in the scope of insurance covering products and services liability.

The annual contribution is GBP 16,200.

Due to the insurance sum under the agreement and the possibility of cooperation with distributors on foreign markets, including the USA and Canada, the agreement was recognized as significant by the Issuer's Management Board.
